A very Happy Christmas and New Year

Editor: Rosina Gilboy

Notes From The Rectory

Happy Christmas and a Happy New Year!

The nights are long, the wind is biting and 2023 is drawing to a close. Throughout this last term I have been doing the same assemblies in all our schools. We have been looking at the A-Z of the Christian faith (If you have/know a child who attends one of the schools why not test them?!). At time of writing we are up to "I"

A=Abba (not the band)

B=Bible

C=Cross

D=Disciple

E=Eternity

F=Faith

G=Gospel/Good news!

H=Heaven

But "I" Was tricky. We went for "Incarnation", a big word for little people. But what does it mean? Well, I wonder if you've ever had chilli con carne? It literally means "chilli with meat". The 'Incarnation' literally means God with meat, God with flesh. This is a real Christmas theme. We celebrate God being born, just like us, with a body. But it made me think. I wonder if anything would have been weird for Jesus, as God, being a human? What might he have experienced that was new or unfamiliar? So much must have been different and new and exciting. New experiences make us all feel something different. Some love them some loath them. At Christmas we have opportunities galore to not just do the same thing we do every year but also branch out and try something new: Invite some who lives on their own to dinner, leave an anonymous present on a door step, join in with carol singing, try church. There is so much pain and conflict in the world this year we are presented with an opportunity to step out and make this world a little better, a little brighter and a bit more joyful. The message of God coming to us should be one of joy and surprise but we have become numb to it because it is familiar. So rediscover the wonder of Christmas this year and see it with fresh eyes. Be like Jesus and do something beautiful and loving and new!

Children's Society - New Volunteer needed

I have been organising and collecting the Children Society Boxes and the Pickhill Christingle Services in the Parish for a few years now. Thank you to all who have supported me with the projects. However, it has now come to a time when I need to hand this project/task to someone else. Naturally I will organise the Christingles for the 2023 Service in December and coordinate the collecting of the boxes next March/April in 2024 but this will be for the last time. I am hoping there is someone in the Parish who would be willing to take on this task to keep the fundraising going. If anyone is interested, please email me on alison.carter44@googlemail.com. Or phone me on 01677 470538. I will be happy to do a hand over next year.

Used Postage Stamps

With Christmas just around the corner it is a good time to remind you to keep used postage stamps. The RNIB collect and turn old stamps into money for a worthwhile cause. Please tear off, with a small border around the stamp, pop in an envelope and when you have quite a few put through the letter box of Chapel Cottage, Carthorpe. They will be sorted and sent to the RNIB. Thank you.

Dog Fouling

Unfortunately, the subject of dog fouling in both **Burneston and Carthorpe** has become the unnecessary topic of conversation. Owning a dog is a real pleasure so it seems a shame to give your dog/s a bad name in the village by not cleaning up after them. It only takes a few seconds to pick up, bag it and bin it. Let's all do our bit to give dog ownership a good name and keep our villages looking smart.

Social Media

For many people Facebook is their preferred means of keeping up to date with what's going on in their local village. Both Carthorpe and Burneston have a Facebook page. So, as well as reading Village Life you can also follow: Carthorpe Village Group, Burneston and Surrounding Villages Community Hub

Wishing you all a happy and peaceful Christmas and New Year.

All Saint's Remembrance Service

A moving Remembrance Service was delivered by Lay Reader Peter Snowden and was well attended. To mark the importance of the service, volunteers kindly created a beautiful display of poppies that went around the Memorial and gates to the church. Michael Brook as in previous years kindly read aloud the names of those that had sacrificed their lives during WWI and WWII. A minutes silence was held to remember those that had fallen to give us the freedom we have today.
